

Advertising Rates

As a non-profit community venture our on-air advertising rates are ridiculously competitive!

You can chose which days and times you'd like, subject to availability:

3 spots per hour x 8 hours per day (24 spots)	£15.00
3 spots per hour x 12 hours per day (36 spots)	£20.00
3 spots per hour x 24 hours per day (72 spots)	£35.00
3 spots per hour x 10 hours x 7 days (210 spots)	£75.00

Your advertisement will be targeted to key audience times during mid-morning, late afternoon and the evening until 22.00hrs.

For a set-up charge of £25.00 we'll include your logo and a link to your Website or Facebook URL and of course provide your Voiceover "Advert Blurb" (max 15 sec).
